HOW YOUR LONG-TERM CARE BENEFITS ARE PAID

Any unused portion of Your Long-Term Care Benefit Amount will remain in the Policy Limit. Any benefit paid under this provision will reduce Your Policy Limit.

Stay at Home Benefit

The Stay at Home Benefit can be used to pay for a variety of Your long-term care expenses while You are living in Your Home that are not otherwise covered under the Policy. Stay at Home Services include:

1. Home Modifications;
2. Emergency Medical Response Systems;
3. Durable Medical Equipment;
4. Caregiver Training;

We will pay charges incurred for Stay at Home Services up to the Stay At Home Lifetime Benefit Amount so long as all of the following conditions are met:

- the care or services are consistent with Your care needs and are provided pursuant to a Plan of Care approved by a Licensed Health Care Practitioner; and
- You are eligible for the payment of benefits under this Policy.

The Stay At Home Lifetime Benefit Amount is shown on the Policy Schedule. Any unused portion of this benefit amount may be used for future Stay at Home Services. Benefits paid under the Stay at Home Benefit will not reduce the Policy Limit. You do not have to satisfy the Elimination Period to receive benefits under the Stay at Home Benefit. The days for which You receive only the Stay at Home Benefit do not count toward the Elimination Period. You may receive benefits under the Long-Term Care Benefit and/or Care Advisory Services Benefit while receiving benefits under the Stay at Home Benefit.

The Stay at Home Benefit will no longer be available to You on the earliest of the following dates: the date You terminate Your Policy; the date You exhaust Your Policy Limit; the date You exhaust Your Stay at Home Lifetime Benefit Amount; or the date Your Policy goes on nonforfeiture status.

This means You do not need to satisfy Your Elimination Period before receiving benefits for Respite Care. Days that You receive Respite Care will not count toward the satisfaction of Your Elimination Period. Benefits paid for Respite Care during the Elimination Period, will reduce Your Policy Limit.

Waiver of Premium Benefit

We will waive the payment of premiums under this Policy if:

- You are receiving care or services for which benefits are payable under the Long-Term Care Benefit; and
- You have satisfied the Elimination Period.

The waiver period will start the day after the Elimination Period has been satisfied and will end on the date when benefits are no longer payable. In the event You have already satisfied the Elimination Period, the waiver period will start on the next Date of Service and will end on the date when benefits are no longer payable under this Policy.

Your premium will not be waived if You:

- are only receiving benefits under the Stay at Home Benefit, Respite Care Benefit or the Care Advisory Services Benefit; or
- have exhausted the International Coverage Benefit, unless and until You receive care or services for which benefits are payable under the Long-Term Care Benefit within the fifty (50) United States or the District of Columbia.

If Your premium has been paid for a period for which premiums are waived, We will refund the premium for such period. In order to keep this Policy in effect after the waiver of premium period ends, payment of premiums must be resumed.

- the date You are discharged from the Nursing Home;
- the date Your Policy Limit is exhausted; or
- the date You die.

This Extension of Benefits will be subject to all of the provisions of this Policy.

International Coverage Benefit

If You require care or services which would otherwise be covered by this Policy while You are outside the fifty (50) United States or the District of Columbia, We will pay the International Coverage Benefit if all the following requirements are met:

- We receive Proof of Loss which is satisfactory to Us that You have met Your Elimination Period and the requirements found in the sections captioned "Eligibility for the Payment of Benefits" and "Conditions".
- You provide Us (at Your own expense) with the following documentation as described in the "Conditions" section of the Policy:
 - the required certification from a Licensed Health Care Practitioner;
 - a current Plan of Care and any required updates to that Plan of Care; and
 - properly completed claim forms and proof, satisfactory to Us, that You are receiving covered care and services.
- All required documentation must be provided to Us in English.
- We reserve the right to require that You provide us with updated documentation and information at reasonable intervals. However, We will not require updates more frequently than monthly.

We will pay charges incurred for certain Long-Term Care Services up to the International Coverage Benefit Amount as shown on the Policy Schedule.

Long-Term Care Services eligible for payment under the International Coverage Benefit include:

- confinement in a Nursing Home or Assisted Living Facility;
- Home Health Care, Adult Day Care and Hospice Care.

No benefits under the International Coverage Benefit, are payable for the Stay at Home Benefit, the Double Coverage for Accident Benefit (if included in Your Policy), or for Respite Care or Care Advisory Services.

The International Coverage Benefit will not be paid in excess of an amount equal to:

- 365-times the Long-Term Care Benefit Amount if You elected the daily Benefit Amount option; or
- 12-times the Long-Term Care Benefit if You elected the monthly Benefit Amount option.

This Policy will continue in force after the International Coverage Benefit is exhausted so that any remaining benefits may be paid for care and services received in the fifty (50) United States or the District of Columbia.

In the event that the International Coverage Benefit is exhausted, premiums will no longer be waived pursuant to the Waiver of Premium provision. In the event that the International Coverage Benefit is exhausted, the benefits remaining for Long-Term Care Services received within the fifty (50) United States or the District of Columbia shall remain in effect.

Any benefit paid under this provision will reduce Your Policy Limit. All terms in the Policy will remain in effect. Any benefits paid will be paid in United States currency.

Return of Premium upon Death Benefit

Important Notice - The Return of Premium Benefit is not applicable to You if You are age 65 or older or You elected Family Care.

If You die before Your 65th birthday, We will pay to Your beneficiary a Return of Premium upon Death Benefit if Your Policy is in force on the date of Your death. (That is, Your insurance is not being continued under the provisions of any nonforfeiture benefit.)

The Return of Premium upon Death Benefit will be calculated by subtracting the sum of all benefits paid under Your Policy for charges incurred prior to the date of Your death from the sum of all premiums paid for Your Policy (accumulated without interest). In the event the amount of benefits paid exceed the sum of premiums paid for Your Policy, no Return of Premium upon Death Benefit will be payable to Your beneficiary.

If We receive a claim for benefits for Long-Term Care Covered Charges after the Return of Premium upon Death Benefit has been paid, benefits for those services will be reduced by the amount of the Return of Premium upon Death Benefit that has been paid.

Your beneficiary for the Return of Premium upon Death Benefit is the individual that You designated as beneficiary in Your application for this Policy. You may change the beneficiary for this benefit at any time. However, such request for a change in beneficiary must be in writing and sent to Our LTC Administrative Office.

Important Notice Regarding Federal Income Tax Law – Please note that the payment of the Return of Premium Benefit may have Federal Income Tax implications for Your estate or beneficiary. You are advised to review this benefit with a qualified tax professional or attorney to determine any such tax impact.

PART 3 - EXCEPTIONS

This part describes what care, treatment or services will be excluded under the Policy and when the benefit will not be paid.

Exceptions

This Policy does not cover care, treatment or charges:

- for intentionally self-inflicted injury.
- due to war (declared or undeclared) or any act of war, or service in any of the armed forces or auxiliary units.
- due to participation in a felony, riot or insurrection.
- provided by a member of Your Immediate Family, unless
 - the family member is one of the following professionals -- a duly licensed registered nurse, licensed vocational nurse, licensed practical nurse, physical therapist, occupational therapist, speech therapist, respiratory therapist, licensed social worker, or registered dietitian; and
 - the family member is a regular employee of a Nursing Home, Assisted Living Facility, Adult Day Center or Home Health Care Agency which is providing the services;
 - the organization receives the payment for the services; and
 - the family member receives no compensation other than the normal compensation for employees in his or her job category.
- provided outside the fifty United States and the District of Columbia except as described in the International Coverage Benefit section of this Policy.

In addition, this Policy does not cover care or treatment for alcoholism or drug abuse.

Non-Duplication of Benefits

This Policy will only pay covered charges in excess of charges covered under any of the following:

- Medicare (including amounts not reimbursable by Medicare such as a Medicare deductible or coinsurance amounts).
- any other governmental program (except Medicaid).
- any motor vehicle no-fault law.

This Policy will only pay for covered charges in excess of charges paid under any state or federal workers' compensation, employer's liability or occupational disease law.

Coordination with Other John Hancock Individual Long-Term Care Insurance Policies

We may reduce benefits payable under this Policy for Long-Term Care Services if We also pay benefits for such services under any other individual long-term care policy issued by Us. This includes policies providing Nursing Home, Assisted Living Facility and/or Home Health Care coverage whether payable on an expense reimbursement, indemnity or any other basis.

Benefits will be reduced under this Policy, only when payment under this Policy and all other John Hancock individual long-term care policies combined would exceed the amount You incur for Long-Term Care Services. In no event will We pay under this Policy more than the difference between Your actual expenses and the amount payable by Your other policies with Us.

In addition, if You are insured under more than one individual long-term care insurance policy issued by Us with a similar Coordination provision, the policy with the earliest effective date of coverage will be deemed primary coverage and pay first. Thereafter, payment will be made under any additional policy (deemed secondary coverage) in order of effective date, from the earliest to the latest.

Any policy without a similar Coordination provision will pay first without any reduction in its benefits.

PART 4 - CLAIMS

This part explains when to file Your claim, the information We need to review, process and pay Your claim, and Your and Our rights and responsibilities.

Early notification to Our Claims Department will facilitate a timely review of Your claim. Please let Us know immediately or in advance, whenever possible, when You need care or services covered by this Policy. Please call Us at 1-800-377-7311.

HOW AND WHEN TO FILE A CLAIM

Notice of Claim

To file a claim You must first notify Us that You are currently receiving or plan to receive Long-Term Care Services covered by Your Policy.

You can notify Us by:

- writing to Us at Our LTC Administrative Office or contacting Us at Our website address - www.jhancock.com; or
- calling Us at Our LTC Administrative Office at 1-800-377-7311.

Your notice must include:

- Your name;
- Your Policy number; and
- the type of care You are receiving or plan to receive.

If You send Us written notice, Your notice must be mailed to Us postmarked within 45 days after Long-Term Care Services begin, or as soon as reasonably possible. If You notify Us by telephone, You must call Us within 45 days after a covered loss begins or as soon as reasonably possible. We will confirm, in writing, Your notification within 15 days after We receive such notification.

Claim Forms and Proof of Loss

When We receive Your notice of claim, We will send You claim forms for filing a Proof of Loss. You must file Your Proof of Loss with Our LTC Administrative Office.

Proof of Loss means detailed written documentation acceptable to Us which describes and confirms: Your inability to perform two or more of the Activities of Daily Living or Your Cognitive Impairment; Your confinement in a Nursing Home or Assisted Living Facility; or other care (e.g., Home Health Care, Respite Care, Care Advisory Services) You are receiving.

This documentation includes:

- a completed claim form;
- confirmation of provider licensure as required by the jurisdiction in which it is located;
- the required certification from a Licensed Health Care Practitioner;
- itemized bills for charges You incurred for Your care and services; and
- Your Plan of Care.

In addition, We may also request copies of medical records (or We may consult with Your primary Physician and provider by telephone at Our option) or Your providers' daily notes of care.

We will send You claim forms within 15 days after having received Your claim notification. If We do not provide You with the claim forms within 15 days after having received Your notification, You will be able to satisfy the Proof of Loss provision by giving Us written proof of the nature and extent of Your loss.

Proof of Loss must be given to Us within ninety (90) days after the first Date of Service. Failure to give Us proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible for You to give proof within such time. However, the proof must be given to Us as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

At time of claim, We will make available to You Our Advantage List Program, if such Program is available in Your state at the time of Your claim notification. The Advantage List will include a listing of long-term care providers that offer discounts to Our policyholders. These discounts can help You extend your long-term care benefits. Any unused portion of Your benefits will remain in the Policy Limit. There is no penalty for using long-term care providers that are not included on this list. Discounts may only relate to certain services or may vary by provider. A provider may be added to, or removed from, this list at such provider's own or Our request at any time and the discount may be discontinued. We reserve the right to enhance, modify or terminate this Program at any time. Please note that the discounted fees charged by a provider on the Advantage List may not be the least expensive fees available and not all providers may qualify for reimbursement under Your Policy. You should review cost of care and services as well as the providers in Your area. In addition, We do not endorse, sponsor or guarantee the quality of a provider listed on the Advantage List, or the care or services provided by such provider. It is Your responsibility to choose a provider who will best meet Your long-term care and service needs.

Our Claims Evaluation Process

Upon receiving Your claim forms, We will work with You, Your Physician, Your care providers, or anyone acting on Your behalf, to obtain information about Your health and the care or services You are receiving. We will then make an objective review of all the information We receive to determine whether You qualify for benefits as well as the level of benefits for which You qualify. As part of Our review, We reserve the right to do a telephone interview, perform an on-site nursing or functional/cognitive assessment or require a physical exam when and as often as every ninety (90) days while a claim is pending or any time during the claim. We will pay for any interview, assessment or examination that We request.

Time of Payment of Claims

Benefits under this Policy are payable on a monthly basis, after services have been rendered and charges have been incurred for such services.

Payment of Claims

While You are living, all benefits will be paid to You unless You request and We accept an assignment of benefits. An assignment of benefits is Your or Your legal representative's request for payments to be sent to someone other than Yourself. If You have made an assignment of benefits, We will send the payments to Your care provider or the individual You or Your legal representative have designated.

You may cancel or change an assignment of benefits at any time. We will not be on notice of any assignment unless it is in writing, nor until a duplicate of the original has been received at Our LTC Administrative Office. We assume no responsibility for the validity or sufficiency of any assignment.

Any accrued benefits unpaid at Your death will be paid to Your estate, or any care provider or individual to whom You or Your legal representative has assigned benefits. At Our option, any benefit of \$3,000 or less may be paid to an alternative payee who is deemed by Us to be justly entitled to the benefit. We will be fully discharged to the extent of any payment made in good faith under this paragraph.

Appeals

We will notify You in writing if We do not approve Your claim and provide You with a written explanation of the reasons for the denial. You will then have the right to appeal Our claims decision and request that We make information directly related to such denial available to You. We will provide You with such requested information within 60 days from the date We receive Your written request.

You must put this appeal or request for information in writing (no special form is necessary) and send it to:

John Hancock Life Insurance Company
P.O. Box 111
Boston, MA 02117
Attn: Director of RLTC Claims Administration.

In Your appeal, You should:

- state why You disagree with Our determination;
- state what other factors (if any) We should take into consideration; and
- identify whom We could contact (including names, addresses, and phone numbers) to gather any additional pertinent information regarding Your care.

You may authorize someone else to act for You in this appeals process. We have a Claim Appeals Review Board that will consider Your appeal. If the Board needs additional information to objectively evaluate Your appeal, they may use one or more of the following resources at Our expense:

- a Physician who will assess Your condition and report it to Us;
- an on-site geriatric assessment;
- medical records from Your Physician(s) and/or provider(s) of care; or
- other information that is determined to be relevant to address the appeal.

The Claim Appeals Review Board will make one of two determinations:

- overturn the initial claim determination and pay any benefits due; or
- uphold the initial claim determination.

Misstatement of Age

If Your age has been misstated, We may either reduce Your Policy benefits or rescind Your Policy. In the event of a reduction of benefits, Your Policy benefits will be amended to be those that the premium paid would have purchased at Your correct age. If as a result of such misstatement, We issued a Policy which would not have been issued to You had such misstatement not occurred, Your Policy will be rescinded. In that case, Our liability under any such Policy will be limited to refund of the premium paid.

Legal Action

You may not bring suit against Us to recover benefits under this Policy until at least 60 days has expired after written Proof of Loss has been given to Us. Also, You cannot bring suit against Us to recover benefits under this Policy after four years from the date a claim is denied.

PART 5 - PREMIUMS AND REINSTATEMENT

This part explains what happens if You do not pay the premium for this Policy when it is due.

WHEN AND WHERE PREMIUMS ARE PAYABLE

Payment of Premiums

Payment of the First Premium will keep this Policy in effect for the first premium payment period. This period starts at 12:01 a.m., Eastern Standard Time on the Effective Date of Coverage. It ends at midnight of the day before the next premium due date, subject to the Grace Period provision below. Each premium, after the first, is due at the end of the period for which the preceding premium was paid. Policy years, months and anniversaries are measured from the Effective Date of Coverage.

Your first premium must be paid at Our LTC Administrative Office or to any of Our duly authorized agents. Any subsequent premium payment must be paid to Our LTC Administrative Office. If a premium is paid to an agent, We will provide a receipt in exchange for such payment. To be valid, it must also be countersigned by the agent shown on the receipt. Payment of a premium will not keep this Policy in effect beyond the period for which it is paid, except as may be otherwise provided in this Policy.

You may elect to pay Your premium on an annual, semi-annual, quarterly or monthly basis. You may change Your mode of premium payment by making a written request to Us at Our LTC Administrative Office. Please note that the more often you pay, the higher your premium amount will be per year. Additional premium charges are included for semi-annual, quarterly, and monthly premiums. These charges are called "modal fees". These fees are based upon the following modal factors and are used to determine the premium amount for all payment options. The modal factors are 1.00 for annual, .52 for semi-annual, .27 for quarterly and .09 for monthly. To calculate Your approximate total annual premium payment based on Your current policy selection:

- multiply the "Base Policy Premium" as shown on the Policy Schedule by the factor associated with Your selected mode of payment, and then
- multiply that result by the number of payments required in a year based upon Your selected payment mode.

Grace Period

This Policy has a 65-day Grace Period. If a premium other than the initial premium is not paid within 30 days from the date that it is due, We will provide written notification of the nonpayment of the premium to You and the person or persons You designate to receive such notice at the addresses You provided to Us. You have an additional 35-day period to pay the premium after We have mailed this notice. During the Grace Period this Policy will stay in effect. If We do not receive the premium payment before the end of the Grace Period, this Policy will terminate.

You may designate a person or persons to receive such notice on Your application. You may change the designation or make a new designation at any time while this Policy is in effect, but it must be in writing and sent to Our LTC Administrative Office. Please note that You are responsible for notifying Us of any change in address of Your designee. We will provide You with a reminder of the right to change this written designation every two years.

REINSTATEMENT AND LAPSE PROTECTION

Reinstatement

An application and payment of premium is required to reinstate the policy. If the application is approved and payment received, the Policy will be reinstated as of the last premium due date. If it is disapproved, We will inform You in writing within 45 days of such disapproval and any premium paid will be returned to You promptly. If We fail to inform You, the Policy will be reinstated upon such 45th day. Later acceptance of the premium by Us, without requiring an application for reinstatement, will reinstate the Policy.

The reinstated Policy will cover only loss due to an injury sustained or physical or mental condition that begins after the date of reinstatement. Except for this and any new provisions added in connection with reinstatement, Your rights and Ours under this Policy will be the same as they were just before the Policy terminated. A physical or mental condition will be considered to have begun when advice or diagnosis is supplied or treatment is recommended by or received from a Physician for such condition.

Added Protection Against Lapse

If Your Policy terminates because You did not pay the premium due, You may obtain reinstatement of this Policy, if You so request, within 5 months after the date of termination, and You meet the following conditions:

- You furnish Us with satisfactory proof that You were unable to perform at least two of the Activities of Daily Living; or had a Cognitive Impairment on the date of termination; and
- You pay all the unpaid overdue premiums.

REFUND OF UNEARNED PREMIUMS

Refund of Unearned Premiums at Death

Upon receipt of proof that You have died, We will refund the portion of premium paid between the date of death and the next premium due date. Such refund will be made to Your surviving spouse, if any, otherwise to Your estate.

PART 6 - GENERAL PROVISIONS

This part explains some of the important provisions that affect Your rights and Our rights under this Policy.

Entire Contract and Changes

This Policy is a legal binding contract between You and Us. This entire contract is made up of:

- the Policy;
- the application; and
- any riders, amendments and endorsements.

No change to this Policy will be valid until approved by Our President or Secretary. To be valid, such approval must also be endorsed on or attached to this Policy. No agent may change this Policy or waive any of its provisions. If We change Our address or Our toll-free telephone number, We will notify You.

Time Limit on Certain Defenses/Misrepresentation

If this Policy has been in effect for less than six months We may rescind it or deny an otherwise valid claim if the application contained a misrepresentation that is material to the acceptance of Your application.

If this Policy has been in effect for at least six months but less than two years, We may rescind it or deny an otherwise valid claim if the application contained a misrepresentation that:

- was material to the acceptance of Your application; and
- pertains to the condition for which the claim is made.

After this Policy has been in effect for two years, it is incontestable except for relevant facts relating to Your health that You knowingly and intentionally misrepresented or failed to disclose.

In the event this Policy is rescinded after We have paid benefits, We may not recover the payments already made.

Conformity with State Laws

Any part of this Policy which is in conflict with the laws of the state in which You reside on the Effective Date of Coverage is amended to conform to the minimum requirements of such laws.

Right to Recovery

If We make payments with respect to benefits in a total amount which is, at any time, in excess of the benefits payable under the provisions of this Policy, We will have the right to recover such excess from:

- any persons to, or for, or with respect to whom, such payments were made; and
- any organization which should have made such payments.

Policy Termination

This Policy will terminate at 12:01 a.m. on the earliest occurrence of one of the following events:

- You have exhausted Your Policy Limit.
- You do not pay Your premium when due (see the provision captioned "Grace Period");
- You cancel Your Policy; or
- The date of Your death.

GUARANTEED PURCHASE OPTION

This Endorsement explains how Your Long-Term Care Benefit Amount may increase on each Option Date to provide protection against the increasing cost of long-term care.

This Endorsement is part of, and should be attached to Your Policy. It is subject to all the provisions of the Policy unless otherwise provided below.

Option Dates

Effective as of the third anniversary of the Effective Date of Coverage and every third anniversary thereafter (the "Option Dates"), We will offer You the option to increase Your Long-Term Care Benefit Amount by purchasing an additional amount of coverage. You will be provided with a choice of electing an amount equal to 5, 10 or 15% of Your original Long-Term Care Benefit Amount. No additional underwriting will be required.

If You do not elect all or any portion of an increase when offered, that increase will not be available on any future Option Date. You will, however, still have the opportunity to accept future offers.

Guaranteed Purchase Option Increases

Each offer of increase is subject to the following:

- You must send Us a written acceptance on the form that We will supply. Such acceptance must be sent to Us within 31 days after the Option Date.
- You will be provided with a choice of electing an amount equal to 5, 10 or 15% of Your original Long-Term Care Benefit Amount.
- The premium for any increase will be based on Your age on the Option Date and the premium rates then in effect.

If the Long-Term Care Benefit Amount is increased, then the remaining Policy Limit (as well as other remaining Benefit Amounts listed in the Policy Schedule) will be increased by the same percentage as the increase in the Long-Term Care Benefit Amount and rounded to the nearest dollar.

In addition, in the event You accept an offer under the provisions of this Endorsement, there will be a corresponding additional premium for any optional benefit riders/endorsements that You have elected and are part of Your Policy. Such additional premium will also be based on attained age rates for any additional benefits elected under this Endorsement.

The increase on any Option Date will not be available to You (and, if requested, will not take effect) if:

- any benefits have been payable under Your Policy during the two year period prior to the Option Date; or
- the Option Date occurs on or after Your 91st birthday.

No Guaranteed Purchase Option offer or adjustment will be made while this Policy is in effect under any nonforfeiture benefit.

One-Time Offer to Switch to 5% Compound Inflation Coverage On Your 65th Birthday

This provision applies to individuals under age 65.

We will make You a one-time written offer on Your Policy anniversary which falls on or after Your 65th birthday to switch Your Guaranteed Purchase Option to 5% Compound Inflation Coverage. This offer will be available to You for a period of 60-days. Your election must be in writing on the form that We provide You. You must then send this form back to Our LTC Administrative Office. We will provide You notice of the new increased premium. The increase in Your premium will be equal to the difference between the premium for 5% Compound Inflation Coverage and Your Guarantee Purchase Option coverage at Your attained age for Your then current benefits.

The offer to switch Your Guarantee Purchase to 5% Compound Inflation will not be available to You (and, if requested, will not take effect) if any benefits have been payable under Your Policy during the two year period prior to the date this offer is made to You.

If You elect to switch to 5% Compound Inflation Coverage, You will not receive any future Guaranteed Purchase Option offers.

Termination

This Endorsement will terminate when the Policy terminates, or when the Policy is continued under the provisions of any nonforfeiture benefit.

NONFORFEITURE BENEFIT

This Endorsement explains how benefits under Your Policy may be continued even after Your Policy lapses.

This Endorsement is part of, and should be attached to Your Policy. It is subject to all the provisions of the Policy unless otherwise provided below.

Nonforfeiture Benefit

After Your Policy and this Endorsement have been in effect for three (3) years (or one (1) year if Your Policy Schedule shows that You have selected a limited payment option), We cannot terminate Your Policy because You failed to pay the required premium within the Grace Period. Instead, this Endorsement modifies the Policy Limit and changes Your Policy to paid-up status where no further premium is due.

Amount of Nonforfeiture Benefit

The new Policy Limit on the effective date of Your paid-up status will be equal to the total premium You have paid. However, in no event will the new Policy Limit ever be less than thirty (30) times the Long-Term Care Benefit Amount at the time of lapse.

No benefits will be paid in excess of the new Policy Limit. Benefits will be paid subject to the Long-Term Care Benefit Amount level in effect at the time You lapsed Your Policy.

Also, no benefits will be paid in excess of the Policy Limit that would have been in effect if You had continued to pay premiums as required.

If Your Policy has been in effect for less than three (3) years (or one (1) year if Your Policy Schedule shows that You have selected a limited payment option), no Nonforfeiture Benefit is payable and Your Policy will terminate for non-payment of premium.

All optional benefit riders will automatically terminate when Your Policy changes to paid-up status under the provisions of the Nonforfeiture Benefit. In addition, no inflation adjustment will be made while the Policy is in effect under the Nonforfeiture Benefit.

Amount of Nonforfeiture Benefit

The new Policy Limit on the effective date of Your paid-up status will be equal to the total premium You have paid. However, in no event will the new Policy Limit ever be less than 1-times the Long-Term Care Benefit Amount at the time of lapse.

No benefits will be paid in excess of the new Policy Limit. Benefits will be paid subject to the Long-Term Care Benefit Amount level in effect at the time You lapsed Your Policy.

Also, no benefits will be paid in excess of the Policy Limit that would have been in effect if You had continued to pay premiums as required.

If Your Policy has been in effect for less than three (3) years (or one (1) year if Your Policy Schedule shows that You have selected a limited payment option), no Nonforfeiture Benefit is payable and Your Policy will terminate for non-payment of premium.

All optional benefit riders will automatically terminate when Your Policy changes to paid-up status under the provisions of the Nonforfeiture Benefit. In addition, no inflation adjustment will be made while the Policy is in effect under the Nonforfeiture Benefit.

Contingent Nonforfeiture Protection Endorsement

This Endorsement explains what protections are available to You in the event You lapse Your policy due to a premium rate increase.

This Endorsement is part of, and should be attached to Your Policy. It is subject to all the provisions of the Policy unless otherwise provided below.

What Happens if We Increase Premium Rates?

If We increase Your premium to a level which results in a cumulative increase of Your annual premium which equals or exceeds the percentage of Your initial premium based upon Your original issue age as set forth below, We will inform You of Your right to:

- reduce Your current Policy benefits without any underwriting, so that the required premium payments are not increased; or
- convert Your current coverage pursuant to the Contingent Nonforfeiture Benefit described below.

In addition, this notification will inform You that if You lapse Your Policy within 120 days of the new premium due date, We will automatically convert Your current coverage pursuant to the Contingent Nonforfeiture Benefit described below.

We will notify You in writing at least 30 days prior to the due date of any new increased premium.

Please note that reference to a premium increase in this Endorsement does not include any increase attributable to Your voluntary election of additional or increased benefit levels or new Policy provisions.

Please note that if the cumulative increase is less than the percentage set forth above, the Contingent Nonforfeiture Benefit will not be available to You.

If You Elect to Decrease Your Benefits

If You elect to decrease Your current Policy benefits, You may:

- eliminate any optional riders for which a premium is charged; or
- reduce Your Long-Term Care Benefit Amount in \$10 increments. Note, any other benefit amounts and the Policy Limit will decrease accordingly in the same ratio to the Long-Term Care Benefit Amount. Also, if You have any optional inflation coverage in force, such optional inflation coverage will continue to apply to the reduced amounts.

If additional benefit reduction options are available at the time of the premium increase notice, We will include information regarding these options in such notice.

A request for the change must be made to Us in writing and is not subject to evidence of insurability. Your premium will be based on the reduced amount of coverage and Your original issue age.

Contingent Nonforfeiture Benefit

If You elect the Contingent Nonforfeiture Benefit or You lapse Your Policy within 120 days of the new premium due date and do not elect to reduce Your benefits, this Contingent Nonforfeiture Benefit will modify the Policy Limit and change Your Policy to paid up status where no further premium is due.

The new Policy Limit on the effective date of Your paid up status will be equal to the total premium You have paid. However, in no event will the new Policy Limit ever be less than thirty (30) times the Long-Term Care Benefit Amount at the time of lapse.

No benefits will be paid in excess of the new Policy Limit. Benefits will be paid subject to the Long-Term Care Benefit Amount level (and other coverage limits) in effect at the time You lapsed Your Policy. All optional benefit riders will automatically terminate when Your Policy changes to paid-up status under the provisions of the Contingent Nonforfeiture Benefit. In addition, no inflation adjustment will be made while the Policy is in effect under the Contingent Nonforfeiture Benefit.

SharedCare Benefit

Optional Benefit Rider

This Rider allows Your Partner to access the available benefits under Your Policy once Your Partner's Policy Limit have been exhausted.

This Rider is a part of, and should be attached to Your Policy. It is subject to all the provisions of the Policy unless otherwise provided below.

General

You have designated Your Partner as the SharedCare Covered Person under Your policy. This designation will allow Your Partner to access available benefits under Your policy if, and only if:

- Your Partner has added an identical SharedCare Benefit Rider to his or her policy, naming You as the Covered Person under that policy; and
- The Policy Limit of Your Partner's own John Hancock policy has been exhausted.

DEFINITIONS

The following term has special meaning for use in this Rider:

- "Your Partner" means the person named as Your Partner in the application or enrollment form for this Rider.

THE SHARED CARE BENEFIT AND HOW IT WORKS

SharedCare Benefit

If Your Partner exhausts the Policy Limit under his or her John Hancock policy, We will automatically continue Your Partner's claim subject to the terms and Policy Limit of Your Policy as long as You keep this Rider in force. You may keep this Rider in force by the timely payment of the Rider premium. Any benefits remaining under Your Policy will then be available to both of You. When accessing benefits under Your Policy:

- Your Partner must satisfy the Elimination Period under his or her John Hancock policy; and
- We will calculate benefits paid on behalf of Your Partner according to the applicable Long-Term Care Benefit Amount found in Your Partner's policy prior to its termination.

You and Your Partner may both receive benefits under Your Policy at the same time. If that happens, the applicable benefit limits specified in Your Policy will continue to apply to You. Your Partner's claim will be paid as described above. However, in no event will We pay benefits that exceed the maximum Policy Limits of both policies combined.

We will provide You with written notification when Your Partner begins to access benefits under Your Policy.

Please note that Your Stay at Home Lifetime Benefit Amount and the Additional Cash Benefit (if included in Your Policy) is not available for Your Partner to access through operation of this Rider.

In the event that the Policy Limit under both Your and Your Partner's policies are exhausted, this Rider will terminate.

WHAT HAPPENS IF YOU OR YOUR PARTNER DIE

SharedCare Continued Access

Upon receipt of proof of the death of You or Your Partner, We will increase the survivor's Policy Limit by the amount of the deceased Partner's remaining Policy Limit, if any. We will provide the survivor with written verification of the new Policy Limit and the new Policy premium. The new Policy premium is equal to the survivor's base Policy premium, including the premium for any endorsements/riders (minus the premium for SharedCare.)

WHAT HAPPENS IF YOUR PARTNER EXHAUSTS YOUR POLICY BENEFITS

SharedCare Election to Increase Benefits

In the event Your Partner exhausts Your Policy benefits, You may elect to purchase an additional two (2) year Benefit Period. This means Your Policy Limit will be restored to an amount equal to the Long-Term Care Benefit Amount then in effect times the applicable 730-days or 24-months, as the case may be. Any other benefit amounts will also be restored to the same level that were in effect on the date Your Policy Limit was exhausted. Except for SharedCare, all other optional benefit riders and endorsements will also be restored. Your Partner will no longer have access to Your Policy benefits.

This election will not be available to You (and, if requested, will not take effect) if:

- You have been eligible for benefits during the two year period prior to the date Your Policy Limit was exhausted; or
- the date Your Policy Limit is exhausted occurs on or after Your 91st birthday.

We will notify You of the exhaustion of Your Policy Limit and Your right to increase Your Policy Limit. You must notify Us in writing within 60 days of the date of this notice that You elect to increase your Policy Limit as described above. No underwriting will be required. The premium payable for this increase will be based upon the Long-Term Care Benefit Amount then in effect and Your attained age on the date the Policy Limit is increased.

WAIVER OF PREMIUM

Waiver of Premium

We will only apply the Waiver of Premium Benefit provision in Your Policy if You are receiving benefits under Your Policy. We will not waive premium under Your Policy because Your Partner is receiving benefits.

RESTORATION OF BENEFITS

Restoration of Benefits

The optional Restoration of Benefit Rider does not extend to this Rider. If the optional Restoration of Benefits Rider is attached to Your Policy, Your Policy Limit will only be restored to the extent that You have accessed benefits under Your Policy subject to the provisions of the Restoration of Benefits Rider. Benefits accessed under Your Policy by Your Partner will not be restored.

WHEN THIS RIDER WILL END

Termination of This Rider

The termination of this Rider will not affect Your Policy, except that any benefits paid under it on behalf of Your Partner will be deducted from the applicable Policy Limit.

This Rider will terminate when the Policy terminates, or when the Policy is continued under the provisions of any nonforfeiture benefit.

In addition, this Rider will terminate on any of the following dates:

- the date You or Your Partner dies;
- the date the SharedCare Benefit Rider on Your Partner's policy is terminated for any reason other than exhaustion of benefits under that policy;
- the date benefits are exhausted under both Your Policy and Your Partner's policy; or
- the date that You elect to revise Your Policy in a manner which the benefit levels or benefit options under Your Policy are no longer identical to those of Your Partner. This does not include increases in benefits due to the operation of the Guarantee Purchase Option, if included in Your Policy.

FamilyCare Benefit

Optional Benefit Rider

This Rider allows up to three (3) of Your Family Members to access the available benefits under Your Policy.

This Rider is a part of, and should be attached to Your Policy. It is subject to all the provisions of the Policy unless otherwise expressly provided below.

General

You have designated the Family Member(s) named in the Policy Schedule as Covered Person(s) under Your Policy. This designation will allow Your designated Family Member(s) to access available FamilyCare benefits under Your Policy subject to the terms and conditions listed below. No other rights or privileges are granted to the Family Member under Your Policy unless expressly specified within this Rider.

"Family Member" means a person named on the Policy Schedule Page as a Covered Person under this Rider.

THE FAMILYCARE BENEFIT AND HOW IT WORKS

FamilyCare Elimination Period

Under the FamilyCare Benefit, all covered Family Members can contribute to the satisfaction of the Elimination Period under the Policy. There is not a separate Elimination Period for each Family Member for the FamilyCare Benefit.

The definition of the Elimination Period is modified as follows:

"Elimination Period" (waiting period) means the number of Dates of Service that would otherwise be covered by this Policy, for which We will not pay benefits. The Elimination Period is shown in the Policy Schedule. Only one complete Elimination Period needs to be satisfied while Your Policy is in force.

The Elimination Period starts on the first Date of Service. No Date of Service may be counted as more than one day towards the satisfaction of the Elimination Period even if services were received by more than one person on that date. The Dates of Service used to satisfy the Elimination Period do not need to be consecutive and may be accumulated under separate claims and by different individuals (e.g., You and Your Family Members).

We will not pay benefits for charges during the Elimination Period, except for Care Advisory Services, Stay at Home Benefits or Respite Care. Days that You and/or a Family Member

only receive Respite Care or Homemaker Services will not count toward the satisfaction of the Elimination Period.

If You or a Family Member receive Home Health Care for one or more days in a Calendar Week, We will apply seven days toward the satisfaction of the Elimination Period, except if Respite Care is being received during the same Calendar Week. If Respite Care is received during a Calendar Week, only the actual Dates of Service other than Respite Care will be applied toward satisfaction of the Elimination Period. Please note that there will be no credit of days, which occur before the first Date of Service. (Calendar Week means the seven consecutive day period that begins on Sunday at 12:01 a.m.)

Eligibility for the Payment of the FamilyCare Benefit

You will be eligible for payment of the FamilyCare Benefit if Your Family Member satisfies all of the following conditions.

- Your Family Member must either:
 - need Substantial Assistance to perform at least two of the Activities of Daily Living, or
 - require Substantial Supervision to protect him or herself from threats to health and safety due to the presence of Your Family Member's Cognitive Impairment.
- We receive a certification from a Licensed Health Care Practitioner that Your Family Member:
 - is unable to perform at least two Activities of Daily Living due to the loss of functional capacity for a period expected to last 90 days, or
 - requires substantial supervision to protect him or herself from threats to health and safety due to the presence his or her Cognitive Impairment.

This written certification must be renewed and submitted to Us every 12 months.

- The Elimination Period has been satisfied (unless otherwise provided in the Policy).
- Your Family Member receives care or services that are:
 - consistent with their care needs;
 - specified in a Plan of Care;
 - covered under this Policy; and
 - in accordance with accepted medical and nursing standards of practice.
- We receive a current Plan of Care for Your Family Member and written Proof of Loss that is acceptable to Us.

Payment of the FamilyCare Benefit

The FamilyCare Benefit allows Your Family Member to access available benefits under the Long-Term Care Benefit, the Stay at Home Benefit, the Respite Care Benefit and the Care Advisory Services Benefit so long as the Family Member is eligible for the payment of FamilyCare Benefit. Any FamilyCare Benefit will be paid to You unless You assign benefits to another person or entity. As a reminder, You may assign these benefits to Your Family Member or to Your Family Member's care provider.

You and Your Family Members may access benefits under Your Policy at the same time. If that happens, all applicable benefit limits specified in Your Policy will continue to apply to You and Your Family Members. The FamilyCare Benefit does not create separate or additional benefit amounts or maximums. This means that We will not pay for charges in excess of the:

- Long-Term Care Benefit Amount for Long-Term Care Services received by You and Your Family Member(s) in the same month;
- Stay at Home Lifetime Benefit Amount for Stay at Home Services received by both You and Your Family Member(s) during the lifetime of this Policy;
- Respite Care Benefit received by both You and Your Family Member(s) during the Elimination Period;
- Care Advisory Services Benefit for Care Advisory Services received by both You and Your Family Member(s) during the lifetime of this Policy; or
- Policy Limit.

Payment of the FamilyCare Benefit is subject to all definitions, exceptions, limitations and conditions of this Policy, unless otherwise stated in this Rider.

The FamilyCare Benefit is only applicable if Your Family Member is receiving care or services within the fifty (50) United States and the District of Columbia and is not subject to the International Coverage Benefit. However, this does not affect Your right to receive benefits under the International Coverage Benefit.

You may remove a Family Member as a Covered Person at any time. However, such notice of removal must be in writing and sent to Our LTC Administrative Office. Once we receive written notice of such removal, We will send You and the applicable Family Member written confirmation of this request. We will also send You confirmation of Your new reduced Policy premium. The remaining Policy Limit will not be reduced even though there will be one (or more) less individuals covered under the Policy.

In addition, in the event a Family Member dies, please provide us with written notice of such death so that We can adjust Your premium. Once we receive the written notice of death, we will send You confirmation of Your new reduced Policy premium. The remaining Policy Limit will not be reduced even though there will be one (or more) less individuals covered under the Policy.

WAIVER OF PREMIUM

Waiver of Premium

We will apply the Waiver of Premium Benefit provision in Your Policy if You or any of Your Family Members are receiving benefits under Your Policy except if You and/or a Family Member are receiving Respite Care, Care Advisory Services or Stay at Home Services. This means that once the Elimination Period has been satisfied, the Policy premium will be waived for future premiums if You and/or a Family Member are receiving benefits under the Policy until the date when benefits are no longer payable.

CONTINUATION

Continuation Upon Policy Termination due to Non-Payment of Premium or Death

If this Policy terminates due to non-payment of premium or Your death, We will allow a Family Member to step into the role of Policyholder. Such Family Member must be a Family Member that You designate for this purpose. Your application for this Policy names the order of succession of Family Members for this role. You may change a designation or order of succession at any time. As a reminder, only Family Members named in Your application are eligible for this position. Any change in designation must be in writing and sent to Our LTC Administrative Office. Please note that You are responsible for notifying Us of any change in address of Your Family Member(s). Policyholder succession will be based upon the order that You have designated and is on file with Us.

If a Family Member replaces You as Policyholder, the Policy will not terminate so long as required premiums payments are made on a timely basis.

Continuation is not available if Your Policy terminates due to exhaustion of the Policy Limit or if the Policy is continued under the provisions of any nonforfeiture benefit.

- **FamilyCare Continued Access Due to Non-Payment of Premium** – If this Policy terminates for non-payment of premium, We will notify all Family Members of such termination as well as the option to keep this Policy in force. We must then receive the Family Member's written election to keep this Policy in force within 30-days from the date of Our original notice; otherwise the Policy will terminate.

We will provide written notice to the Family Member whom You have designated to replace You as Policyholder of the amount of the new reduced premium. In addition, the remaining Policy Limit will not be reduced even though there will be one (or more) less individuals covered under the Policy.

- **FamilyCare Continued Access Upon Your Death** -- In the event You die, Your Family Member must provide Us with written notice of Your death.

Upon receipt of such notice, We will provide written notice to the Family Member who You have designated to replace You as Policyholder of the amount of the new reduced premium, which must be paid by the new Policyholder when due in order to keep this Policy in force. In addition, the remaining Policy Limit will not be reduced even though there will be one (or more) less individuals covered under the Policy.

WHEN THIS RIDER WILL END

Termination of This Rider

You may terminate this Rider at any time. The termination of this Rider will not affect Your Policy, except that any benefits paid under it on behalf of Your Family Member(s) will be deducted from the applicable Policy Limit.

This Rider will terminate when the Policy terminates, or when the Policy is continued under the provisions of any nonforfeiture benefit.

This Rider allows the Policy Limit to be restored.

This Rider is a part of, and should be attached to Your Policy. It is subject to all the provisions of the Policy unless otherwise provided below.

Benefit Restoration

We will restore on a one-time basis the Policy Limit as shown in the Policy Schedule and as increased by any Inflation coverage or Guaranteed Purchase Option as may be attached to this Policy, when a period of 180 consecutive days elapses during which You did not:

In the event You elected a Long-Term Care Benefit Amount in excess of \$150 per day or \$4,500 per month, as the case may be, benefits paid under the Additional Cash Benefit are subject to certain aggregation rules under the Internal Revenue Code for purposes of Federal Income Tax calculation. This means that Additional Cash Benefits will be aggregated with other benefits paid under the Policy. In the event that total payments exceed the "Per Diem Limitation" for that period, any benefits paid in excess of such limitation are includable in gross income. You are advised to review this benefit with a qualified tax professional or attorney to determine any such tax impact. In addition, at the time of payment of the Additional Cash Benefit, We will remind You to seek appropriate counsel regarding the federal income tax implications of the benefit payment with a qualified tax professional or attorney.

Enhanced Return of Premium upon Death Benefit

Optional Benefit Rider

Upon Your death, this Rider will provide Your beneficiary with a return of a portion of the premiums used to pay for Your Policy.

This Rider is a part of, and should be attached to Your Policy. It is subject to all the provisions of the Policy unless otherwise provided below.

The provision captioned Return of Premium upon Death Benefit found in Your Policy is deleted in its entirety and replaced by the following.

Enhanced Return of Premium Upon Death Benefit

We will pay Your beneficiary an Enhanced Return of Premium upon Death Benefit if Your Policy is in force on the date of Your death. (That is, Your insurance is not being continued under the provisions of any nonforfeiture benefit.) Your beneficiary must provide Us with appropriate proof of death.

The Enhanced Return of Premium upon Death Benefit will be calculated by subtracting the sum of all benefits paid under Your Policy for charges incurred prior to the date of Your death from the sum of all premiums paid for Your Policy (accumulated without interest). In the event the amount of benefits paid exceed the sum of premiums paid for Your Policy, no Enhanced Return of Premium upon Death Benefit will be payable to Your beneficiary.

If We receive a claim for benefits for Long-Term Care Covered Charges after the Enhanced Return of Premium upon Death Benefit has been paid, benefits for those services will be reduced by the amount of the Enhanced Return of Premium upon Death Benefit that has been paid.

Your beneficiary for the Enhanced Return of Premium upon Death Benefit is the individual that You designated as beneficiary in Your application for this Policy. You may change the beneficiary for this benefit at any time. However, such request for a change in beneficiary must be in writing and sent to Our LTC Administrative Office.

Important Notice Regarding Federal Income Tax Law – Please note that the payment of the Enhanced Return of Premium upon Death Benefit may have Federal Income Tax implications for Your estate or beneficiary. You are advised to review this benefit with a qualified tax professional or attorney to determine any such tax impact.

Termination

This Rider will also terminate when the Policy terminates, or when the Policy is continued under the provisions of any nonforfeiture benefit.

We will never pay more than the actual charges You incur for care and services covered by this Policy. Payment of the Double Coverage for Accident Benefit will begin only after You have satisfied Your Elimination Period.

Benefits payable under the Double Coverage for Accident Benefit because of an Accidental Injury will terminate when You no longer need Substantial Assistance to perform at least two of the Activities of Daily Living or require Substantial Supervision to protect Yourself from threats to health and safety due to the presence of a Cognitive Impairment.

If You suffer an additional loss or condition after You recover from an Accidental Injury, but that loss or condition does not result primarily from an Accidental Injury, You will not qualify for payment of the Double Coverage for Accident Benefit.
